Dear Sir:

PRELIMINARY AMENDMENT

Please amend the above-identified application for patent as follows:

IN THE SPECIFICATION

Replace the previous version of the specification with the following substitute  
specification:

**Field of the Invention**

[0001] The present invention relates to a mobile terminal, especially a communication device of a mobile radio network. The invention especially relates to a mobile terminal having operational parameter settings, which depend on the location zone of the terminal, and a method for setting operational parameters of a mobile terminal.
